

Dear Friend,

Thank you so much for your interest in partnering with Eternal Threads. Our mission to help women in poverty depends on the income generated at Gathering Sales. We deeply appreciate the opportunity to work with you.

When you host a “Gathering Sale”, you directly benefit women in five countries. These women use their skills to earn enough to provide the basics of life for their families and to help them overcome extreme poverty, trafficking, and other forms of exploitation. Women in the United States relate to their stories of courage and struggle and simply want to help.

This packet shows you how. Perfect for women’s retreats, church or school events or home parties, you decide the venue and the program level that fits your purpose. Our 10 Step guide helps make your planning easy. Eternal Threads pays all shipping. People purchase what we send to you and you return what they do not buy. There is no need for you to keep track of inventory or customers. We want you to share the mission, the stories, and enjoy your Gathering.

You can reach us at 1-888-489-4549 or email Sue@EternalThreads.com. If you would like more information or to schedule a Gathering Sale, please call us. We would love to assist you.

We invite you to see the world through the eyes of the women you will impact. Please enjoy the enclosed videos and see how connected we are to each other. Together we truly can make a difference.

Gratefully,

Linda Egle
Founder and Executive Director
