

How you can help!!

As a non-profit we rely on people like yourselves to become involved in our efforts to help women and children living in extreme poverty. We are truly a global community of women. Here are a few ways that you and others can partner with us ~

- Please pray for the women and girls that we serve and for God's provision for Eternal Threads so that we can fulfill our mission to them and glorify Him.
- Your purchases from Eternal Threads for yourself or for gifts is what gives the women we serve sustainable income and necessities for their families.
- Host a Gathering Sale at your church or women's retreat. If you would like more information or have an upcoming event, email - Jennifer@EternalThreads.com
- Become a life-saving sponsor for a rescued girl in Nepal or a woman in Afghanistan ~ do you know a small group or Sunday school class that might like to do this?
- Donate to our mission or buy a goat, sewing machine or sewing training for a girl in Nepal.
- Spread the word about Eternal Threads to your network of women either personally or through your church family and beyond.
- Put our monthly Open House on your calendar and tell others in Abilene ~ we can provide you with calendar postcards to distribute...give us a call - 325.672.6000.
- Involve the youth group at your church in Eternal Threads' new project ~ Red Thread Movement ~ a student initiative to raise awareness and fight sexual trafficking. We have many opportunities for them to be involved in learning about the world and making a difference.
- We have lots of volunteer opportunities for all ages, experience, abilities, talents and interests.
- Who do you know? Women sharing with women is God's greatest tool.
